COLLEGES AND SCHOOLS.

Louisburg Female College,
FRANKLIN CO., N. C.

THE FALL SESSION OF 1868 will begin on the 13th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS:

Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.

ADVANTAGES.

An able, energetic and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to

T. M. JONES,
June 15 tf President

Wake Forest College, N. C.

THE FALL TERM OF THIS INSTITUTION will open on the first day of August 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present unquestionable claims to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in study preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

A CARD.

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and continued the business, changing the name afterwards to Branson & Jones, I adver being myself as Proprietor and Mr. Branson as Agent for the N. C. Business Directory.—But as some persons seem, erroneously, to consider it a partnership or to blend the interest of the former firm with my own I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.

ORGANIZATION, SPEECHES, &c., &c.

GRAND TORCHLIGHT PROCESSION—THE CITY ABLAZE WITH LIGHT AND ENTHUSIASM!!!

We shall not pretend to give our readers, this morning, anything like an extended account of yesterday's proceedings in the Convention, or of the many incidents of the great jubilee in which we are all rejoicing. We allowed our employees, on yesterday, the opportunity of participating in the general demonstration of patriotism, and our own active participation in the proceedings precludes more than an allusion to them, this morning.

Suffice it to say, for to-day, that the Democratic State Convention now in session is the greatest political gathering assembled in the State since the memorable days of 1840. Perhaps from three to five thousand Democrats and Conservatives are in the City,—nearly if not quite, 1000 of them delegates,—and all are animated by a spirit of enthusiasm, determination and energy, that are the sure harbingers of success.—They have come up in public and private conveyance, and, even, in very many cases, on foot, to join in counsel for the good of the country and to assert their hostility to Radical rebellion and corruption.

The most notable feature of yesterday morning, prior to the assemblage of the Convention, was the reception of the Cumberland and Harnett delegations. They had come up, the night previous, and encamped within two miles of the city, with their wagons and other vehicles—all decorated handsomely with flags and transparencies, (of all which a full account will be given hereafter.) Early on yesterday, Jenkins' company of mounted men proceeded to their encampment, on the Southern suburbs, and escorted them to the front of the Executive Mansion, where they were met by a detachment of citizens and of the Wilmington delegation, with the excellent Band of Music of the latter. Here our friends were welcomed in an appropriate speech by Hon. Sion H. Rogers, who was lolo questly and thrillingly responded to by Jas C. Dobbin, Esq. The whole body then moved up Fayetteville Street, eliciting and giving thundering huzzas as they progressed, and greeted everywhere with the waving of handkerchiefs by the fair ladies of the City.

By 10 o'clock, Tucker Hall was jammed and crammed to its utmost capacity,—suffocatingly crammed—while thousands were outside, unable to obtain admission. The whole of the spacious right and front galleries were densely packed with beautiful and elegantly dressed women,—and this, taken in connection with the rich decorations, mottoes, &c., and the compact mass of deeply-interested spectators, made up a grand and imposing *tout ensemble*.

The Convention was called to order by Hon. Thomas Bragg, on whose motion that noble son of Franklin, Capt. J. J. Davis, was made Temporary Chairman. Capt. Davis made a capital speech, on taking the Chair, which was received with loud acclaim.

Subsequently, the Committee on permanent organization recommended, for permanent President, that gallant and able gentleman, Col. Robert H. Cowan, of New Hanover. The announcement was most enthusiastically greeted, and Col. Cowan addressed the Convention, in entering upon his duties, in an effort of great elegance and power.

During the morning session, Committees on Resolutions and the selection of Electoral candidates, were appointed,—two from each Congressional District in the State.

In response to the loud and prolonged calls of the Convention, addresses were made by Hon. Josiah Turner, W. M. Robbins, Esq., and Hon. Wm. A. Graham, all of which were received throughout with the liveliest demonstrations of gratification and ardor.

We have full notes of all of these speeches, which shall be written out and appear in connection with the official proceedings.

The Convention took a recess, after the above proceedings, to 4½ o'clock, P. M., to await the reports of the Committees.

At 4½ o'clock, the Convention re assembled. The Committees not being ready to report, loud calls brought forward to the rostrum, respectively, the Hon. Asa Biggs, Jas. C. Dobbin, Esq., of Fayetteville, Jno. A. Richardson, Esq., and S. T. Williams, Esq., of Granville,—all of whom made admirable speeches, which were received with enthusiastic favor. It will not be regarded, we are sure, as an invidious discrimination, for us to say, that the effort of the gallant and gifted young representative of Cumberland, Mr. Dobbin, was one which, in point of eloquence, humor and, *popularity*, has rarely been surpassed in any popular assembly. Other gentlemen were called out,—Hon. F. B. Satterthwaite, Mr. Argo and Mr. Durham,—but they were either temporarily absent or excused themselves for good reasons.

Subsequently, the Committee on Electors reported as the Democratic Conservative candidates for Electors, for the State at large,

Hon. JAS. W. OSBORNE, of Mecklenburg.
Capt JAS. J. DAVIS, of Franklin,

Which nominations were received with the loudest demonstrations, and Capt. Davis, who was present, was called forward, and accepted the nomination in some patriotic and spirited remarks.

The Committee on Resolutions, through Gov. Bragg, the Chairman, at a late hour reported an admirable series; but, on account of approaching night, action was deferred on them until this morning, 10 o'clock, to which hour the Convention adjourned.

We cannot attempt, this morning to give even a faint idea of the grand demonstration last night. Raleigh has *never* seen its equal. The whole City was one blaze of light and enthusiasm, and the glorious scenes and incidents, though they beggar description, shall have such justice, hereafter, as we may be able to do them.

Such overwhelming demonstrations of the popular awakening cannot be resisted.—The tide is sweeping forward, and will bear us safely onward to Peace and Constitutional Union!!

APPEARANCE OF TUCKER HALL.

We (Reporter) visited Tucker Hall on Wednesday afternoon, where we found bevies of fair young ladies engaged in giving the finishing touches to the garniture of festoons and foliage and flags in which they had attired it for the morrow. The decorations are beautiful. Heavy hangings of White, Red and Blue, festooned and fastened with evergreens, adorn the galleries. These encircle in their graceful curves, elegant medallions bearing, severally, the pertinent, patriotic Mottoes; "Fidelity to the Constitution"—"Fidelity to the liberty of the Citizen"—"Fidelity to the Rights of the States," "Fidelity to the Union"—and "Fidelity to the principles of free government."

A large and beautiful "Flag of our Country" canopies the Stage, its brilliant folds gathered and looped on either side, supporting a pendulous crescent inscribed "Seymour and Blair." The stands of the President and Secretaries of the Convention are draped in spotless white, tastefully ornamented with stars and wreaths and evergreen embroidery woven by the ladies.

The cover of the President's table bears, in cipher of "living green," the blended initials of the Democratic nominees. Engravings of Seymour and Blair, and miniature Union flags, arranged by nimble fingers, guided by the quick eye and the instinctive taste of woman, sparkle and flaunt amid the foliage of the cedar and the holly.

ARRIVAL OF THE WILMINGTON DELEGATION.

The reception of the Wilmington delegation, briefly noticed in yesterday's issue, was, in itself, an imposing and enthusiastic popular demonstration. The train arrived amid the blaze of bonfires, the booming of cannon, and deafening cheers from the dense throng that had assembled to greet our guests. The reception address of C. M. Busbee, Esq., and the response, on behalf of the New Hanover delegation, by A. M. Waddell, Esq., were eloquent and patriotic.

THE PROCESSION,

was soon formed. The Wilmington Delegation with transparencies and banners, preceded by a band of music, were followed by the Seymour and Blair Club of Raleigh, and the mounted escort. Citizens generally fell into line, and all, at the word of command, marched through Harrington and Hillsboro Streets to the Capitol and thence down Fayetteville Street to the market. Here the requisite arrangements having been previously made the procession dispersed, and the delegates were conducted to their respective quarters.

INCIDENTS.

Passing the Exchange Hotel three rousing cheers were given for Plato Durham.

The Republican Headquarters were next greeted with as lugubrious groans as disgusted mortals ever uttered. Throughout the march the intensest enthusiasm prevailed.

TRANSPARENCIES.

A brilliant feature of the display was the large and luminous transparency, borne upon wheels, which the Cape Fear boys brought with them. It bore the following inscriptions:

"Ballots, not bullets, is the Democratic war-cry." "Let us have a peace which is not war." "Under this flag the Democratic party will lead to Union and peace." "The subordination of the military to the civil power." "Liberty can only be secured by the supremacy of Constitutional Law."—"The Cape Fear Country brings greeting to the Mountains."

On opposite sides of the transparent pyramid were engravings, of Seymour and Blair, with the words "Our next President Horatio Seymour of New York". "Our next Vice President Francis P. Blair of Missouri." Smaller transparencies borne by the Colored Democratic Club of Wilmington bore the mottoes.

"We know our friends and will trust them."

"A star for every State." "A State for every star." "Down with the scallawags." "Down with the Carpet Baggers."

THE WAR MEASURES OF THE RADICALS.

The following bill, said to have been drawn by John Pool, of Pasquotank—passed the House of Representatives on Wednesday. The temper of the General Assembly indicates that the Radicals of North Carolina are close imitators of their leaders in Congress of the worst stripe. They have just made a Constitution to suit them, and yet we believe not a bill has been presented by them in the Legislature which has the slightest political bearing, that does not violate the letter and spirit of that instrument. Let the reader compare the following bill with the first article of the new Constitution or the Bill of Rights. Are they mad? Have the gods marked them for political destruction? Read this bill and see how utterly they ignore and violate the personal liberties of the people.

We are utterly opposed to corruption and bribery in elections. We would have every man punished for corruption and bribery. But who are so liable to the punishments of this bill as the Radicals themselves? Who proscribed men for their political opinions but the Radicals? Who remove men and women from office for opinion's sake but the Radicals?

Are the people of North Carolina free? Have they not the right to do what they will with their own? Are men to be arrested because they hire who they please, trade with whom they please, buy from whom they please? What mean these mad caps by such laws as these? Are the old blue light laws to be enacted among us? Verily, these obnoxious laws only hasten the doom of a party, which has lost all sense of justice, all regard for the rights and liberties of the people. Read the bill:

A BILL TO PUNISH BRIBERY AND COERCION IN ELECTIONS.

SECTION 1. *The General Assembly of North Carolina do enact*, That it shall be unlawful or any person to offer any bribe to any of he qualified voters of this State, with intent to influence his vote in any election.

SEC. 3. That it shall be unlawful for any person to give a pecuniary or other consideration whatever to any of the qualified voters of this State because of the vote which such voter may cast or may have cast in any election.

SEC. 4. That it shall be unlawful for any person to discharge from employment, withdraw patronage from, or otherwise injure, threaten, oppress or attempt to intimidate any of the qualified voters of this State, because of the vote such voter may cast in any election.

SEC. 5. That any person violating any provisions of this act shall be guilty of a misdemeanor, and shall be liable to indictment for the same, and on conviction of having violated the provisions of section one, shall be fined not less that twenty dollars or imprisonment not less than ten days. And on conviction of having violated the provision of section two, shall be fined not less than fifty dollars or imprisoned not less than twenty dollars, and also imprisoned not less than ten days. And on conviction of having violated section four, shall be fined not less than fifty dollars, and also imprisoned not less than twenty days.

SEC. 6. That every magistrate or peace officer of this State, or of the municipal corporations in the State who shall know of his own knowledge, or to whom information shall in any way come, that any person has violated any of the provisions of this act, shall immediately arrest or by warrant cause to be arrested such person so offending, and upon sufficient evidence, shall cause him to enter into bond and sufficient security in the sum of not less than two hundred dollars, for his appearance before the next term of the Superior Court of the County in which the offence may have been committed, then and there to answer to the law, and in the meantime to keep the peace, and in default of giving such bond and security, such person so offending shall be committed to prison until he shall have complied with the aforesaid provisions.

SEC. 7. *Be it further enacted*, That any justice of the peace or other officer charged with the execution of this act who shall fail or neglect to carry out the provisions of said act, shall be deemed guilty of a misdemeanor in office, and shall be subject to the same penalties provided for in this act.

SEC. 8. This Act shall be in force from and after its ratification.

GENERAL ASSEMBLY.

The anxiety of our Reporters to participate in the proceedings of the Convention will account for the non-appearance of the proceedings of the Legislature, on yesterday.

The Senate was engaged, most of the day, in the consideration of bills of little interest. The most important measure, which engaged its attention, was the bill establishing a Penitentiary, which was defeated.

In the House, several important bills were postponed until to-morrow. The bill against horse or mule stealing, imposing a penalty of imprisonment for life or for twenty years, at the discretion of the Judge, passed its several readings.

"Mr. Speaker, I am alarmed at the condition of the country. *It is proposed to send arms to North Carolina, that the people may use them against each other. Great God! we cannot afford to fight each other.* KEEP AWAY YOUR ARMS! DO NOTHING TO IRRITATE OUR PEOPLE. BUT DO EVERYTHING IN YOUR POWER TO ASSUAGE AND HEAL THE EXCITEMENT THERE. We want no arms. I WARN THE HOUSE THAT IF ARMS ARE SENT THERE WE WILL BE RUINED; we cannot live there. If we need anything in the way of arms, in Godshame send an army of the United States there, *but do not arm neighbor against neighbor. There never was a more sinchorous measure than this proposition to arm one class of our people against another.*"—*Mr. Dryden's speech in the House of Representatives.*

VOTE for Grant and Colfax and you vote for war and revolution.

THE GREAT BARBECUE AT SELMA.

We learn that the Conservative gathering at Selma, the new and flourishing town in the county of Johnston, on the N. C. R. R., was the largest political meeting ever assembled in that county. From about sunrise, until near eleven o'clock, on the morning of the 11th, every avenue leading to the place presented a spectacle forcibly reminding one of the great outpouring of the people in 1840. The crowd present was variously estimated at from 1500 to 2000 people. The speaking commenced at 11½ o'clock. Col. Sharp was appointed Chairman and W. Whitaker, Esq., Sec'y. Maj. Englehard of the Wilmington *Journal* led off, in a speech of one hour, of telling the attention and applause of the masses, followed by Sam'l T. Williams, Esq., of Granville, in a speech fraught with unanswerable arguments. At the close of Mr. W's speech, a recess of one hour was taken, when the vast multitude partook of an excellent Barbecue, prepared for the occasion.

At 2 o'clock, the crowd re-assembled around the speaker's stand, when Col. Cowan, of Wilmington, being introduced by the Chairman, spoke for three quarters of an hour, in a strain peculiar to that gentleman. Cheers and applause endorsed his entire effort, from beginning to end, and he sat down amidst cries of "go on! go on!"

Col. Sharp was then loudly called for.—He came forward and delivered one of those practical speeches, for which he is noted. His appeals to the good sense, the sober, second thought of the people, brought the entire crowd to their feet; enthusiasm reached its highest pitch, and much good is doubtless the result. The 11th of August was a great day for old Johnston.

At the close of the afternoon speaking a proposition was made to form a Seymour and Blair Club, when a rush was made for the Secretary's table, to see who should be first to head the list. Several hundred names were registered, among them *fifteen colored men.*

The work goes heavily on, and it persisted in, up to the day of election, the State will be safe for the Conservative candidates by forty thousand majority. So mote it be.

For the Sentinel.

THE DEVIL COMPLIMENTED BY THE SPEAKER OF THE HOUSE OF REPRESENTATIVES.

Messrs. Editors:—In reading the speech of the Speaker of the House of Representatives on the subject of the Special Militia Bill, which was published in the *Standard* a few days ago, I confess to a considerable surprise in finding that the Speaker in his glowing advocacy of the measure, had paid a high compliment to the DEVIL. He said, "They tell us that it will cost two hundred and fifty thousand dollars. Let me ask what is gold compared to life, peace and property. A wiser than any who now live said 'all that a man hath, will he give for his life'" Compare with this the book of Job chap. 2, v. 4: 'And Satan answered the Lord and said, skin for skin; yea, all that a man hath will he give for his life." Now, it, as I have always understood, satan and the devil are the same, then it is manifest that the compliment is applied to the devil. Reading on a little further my astonishment was very much abated, when I found that the Speaker's voice was still for war.—"A way then (he exclaims) with craven fear and cowardly words. Let us arise in our majesty and gird our armor on. The bugle calls us to the field—to one more fight and one more victory. The issue is upon us. The contest has begun. May God defend the right, "but as for me, give me victory or give me death." Blood and thunder!! No wonder a man should compliment the arch enemy of mankind, when he rants in such a style. Q.

TO LAND OWNERS.

HAVING BEEN APPOINTED BY THE AMERICAN AGRICULTURAL AND MINERAL LAND COMPANY, Agent for all that part of North Carolina lying east of and including Catawba County, I am authorized to say, to any person or persons having 2,000 acres in one body, partially cleared and near a Rail Road, that if they will agree to subdivide their lands at the expense of the Company, the Company will purchase alternate lots at their assessed value for taxation or as ascertained by two disinterested parties, paying for the same in the Company's stock—the Company obligating itself to place a white settler on every 200 acres, so acquired, within three years, or, failing to do so, such land unsettled to revert to the original owner; the owner to retain possession until the land is settled.
The object of this system is to bring into the State an industrious and thrifty population, and to enhance the value of our lands. It has been adopted in other States and is said to be working finely.
This Company was chartered by our Legislature of 1866. Land owners will please address me for particulars at Beidsville, N. C.

A PUBLIC barbecue is to be given at the W. R. Moore place, in Johnston county, by the Conservative party, on the 4th Thursday in August.

The people of the county are invited to attend, and, also, of the adjoining counties. Several of the best orators of the State are expected; among others, Hon. Z. B. Vance.

The nearest point of Railroad (Clayton) is 8 miles.

NEGRO MAGISTRATES.—We are informed that the Radical Commissioners of the County of Chatham, have written to Gov. Holden, earnestly imploring him not to appoint any more negro magistrates for that County—that things are all going wrong there—that a few more such appointments, &c., and all would be up with them in that County.

NOTICE—FOURTH DISTRICT.—The delegates from this Congressional District are requested to meet, at 8½ o'clock, at Tucker Hall. A full attendance is most desirable.

COL. E. H. TOWNLEY, of Indiana, lately a prominent Radical of that State, addressed a large Democratic Mass Meeting in Baltimore, a few nights since. Since the nomination of Seymour and Blair, he has left the ranks of his old political associates in disgust, and given his adherence and support to the Democratic party. In his speech on the occasion referred to, he drew the following graphic picture of the carpet-baggers:

"The representatives of the South were once of the first character of the country as statesmen and gentlemen. They received from and reflected honor on their honored ancestors. They were high minded gentlemen, and who represents them now? [The speaker here, amidst the wildest laughter, long continued, drew forth a black carpet-bag from under the table and held it up.] This, [renewed laughter,] this is a pretty thing to say who shall or who shall not vote, preside over courts, and handle the finances. Such is a fact—this is a true representation. I'll tell you the history of a carpet bagger from my part of the country. He was a Colonel in the army, and at the close of the war was appointed a captain in the regular army. He was sent to North Carolina, and was appointed a judge. He received leave of absence for one year, to fill the duties of his judgeship. At the end of the year he resigned, drawing all his pay, and was elected to Congress, and is there now by 17,000 majority. Just think of it. There he is (holding up the carpet bag.)—(Laughter.) He fined a planter when a judge $250 for whipping a negro; he kept $100, gave $100 to the negro, and said he sent the other to the government. Now if any man believes that the government received a cent he can, just break me.

Let us look at the contents of a carpet-bagger. Let us dissect him. (He unlocked a carpet bag and took from it several articles as he announced them.) What have we here? Life and adventures of that distinguished American citizen, Frederick Douglass; constitution of the secret Radical association. It is is a dead language, and none can read it but Boutwell, Butler, Bingham & Co. What is in this bundle? Massachusetts crackers, harder and meaner than hard tack. We will go a little further. Here is a precious document, from its numerous wrappings, and we will unroll it. Cheese from the Western reserve. There, Mr. President and gentlemen, there is provision enough to last a carpet-bagger through a nine months campaign. (Laughter.) Can we live and endure such things? Will not our hearts fret and break at the contemplation of the degradation that has fallen upon the country? Never mind, our troubles will be over in November next, and Grant and Colfax will get up and get."

"When the storm is over, the Conservative party, representing, as it does, THE PROPERTY AND INTELLIGENCE OF THE STATE, will take the guidance of affairs, AND ALL WILL BE WELL."—*Judge Pearson's Letter.*

In their despair, Radicals threaten civil war, in order to make a fair and free election by the people of North Carolina impossible.

GRANT says "Let us have peace." What does he mean but that the "Empire is peace!"

AN ACT TO ORGANIZE A MILITIA OF NORTH CAROLINA.

The General Assembly of North Carolina.

SECTION 1. That the Militia of North Carolina shall consist of those liable to military duty, and that every person so liable shall be required to serve in the same unless he shall pay to the County Treasurer a yearly contribution of two dollars, or be excepted under the certificate of some practising physician, on account of bodily infirmity.

SEC. 2. The Militia shall consist of companies, regiments, brigades and divisions as now required by law.

SEC. 3. The regulations of the United States Army shall be adhered to as near as practicable in organizing the Militia of this State.

SEC. 4. SEC. 6. All officers and enrolled men in the Militia shall take and subscribe the oath required of officers by the Constitution of the State of North Carolina.

SEC. 7. The white and colored Militia shall be enrolled in separate and distinct companies and shall never be compelled to serve in the same companies.

SEC. 8. The Governor is hereby authorized to accept and organize regiments of volunteer infantry not exceeding six, the same to be apportioned as nearly as possible through the State, for which purpose the State shall be divided into three Divisions to be known as the Eastern, Middle and Western Divisions, which Divisions shall constitute a Major General's Department, if in the discretion of the Governor it shall be deemed advisable, he may also accept and organize volunteer battalions of cavalry not to exceed three and one volunteer battery of Artillery, the same to be equally divided, among the divisions named in this section.

SEC. 9. The Governor is hereby authorized, at the request of any five Justices of a County to direct the Colonel Commanding therein to detail, organize and equip from the men liable to military duty in his command, a sufficient force to preserve the peace and to enforce the laws, which force shall be known as the detailed militia of North Carolina.

SEC. 10. The number of said detailed militia shall not exceed 50 to each member of the House of Representatives unless the Governor shall deem said number insufficient for the preservation of the peace or the enforcement of the laws. There shall be a Captain appointed for each Company, and a Lieutenant for each platoon of 50 men, and a Sergeant for every 10 men comprising the force; but when the organization does not exceed 50 men there shall be no Lieutenant; the said detailed Militia shall be provided with proper arms and badges.

SEC. 11. No man shall be an officer, or private in the detailed Militia unless he be an elector of the State, and first take and subscribe the Constitutional oath of office.

SEC. 12. Every officer of the detailed Militia shall have power to call out the whole or any part of the force under his command to preserve the peace and enforce the law at the written request of any Justice of the Peace, Sheriff or his Deputy, County or Town Constable, or any County Commissioner, and such request shall state the reason of the call, and a copy of the same shall at once be forwarded to the Adjutant General of the State.

SEC. 13. It shall be the duty of the Adjutant General to prepare and forward to each man appointed a member of the detailed militia, a printed copy of the rules prescribed to govern his conduct, and any wilful violation shall be a misdemeanor punishable with fine, not exceeding $100.

SEC. 14. The said detailed militia shall be under the command of the Governor, and be subject to his orders, and may be sent to any portion of the State by him. He shall report to each session of the General Assembly the condition and efficiency of this organization, and propose any legislation he may deem proper and necessary therefor.

SEC. 15. The badge of the detailed Militia shall bear these initials, N. C. D. M.—The badge of a Captain shall be marked Co. ——, No. ——Captain; and that of Lieutenant Co.——, No.——, Platoon No.——Lieut.; and that of a Sergeant, Co.——, No. ——, Platoon No.—— Sct., No.——Sergeant; and no arrest shall be made or authority exercised without the same. The loan or transfer of said badge to another shall be an indictable offence punishable with imprisonment for not less than one month nor more than two years. The Adjutant General shall have power to designate the number of each company, platoon and section.

SEC. 16. Any officer of said Detailed Militia shall have power, and it shall be his duty, to use such force as may be necessary to overcome resistance in quelling riots or making arrests, and not otherwise.

SEC. 17. That the white and colored members of the Detailed Militia shall not be compelled to serve in the same sections.

SEC. 18. Each officer shall be allowed necessary travelling expenses, and postage incurred, in the discharge of his duties.

SEC. 19. Each Captain shall require monthly reports from each Sergeant in his Company, and shall make monthly reports to the Adjutant General of the State.

SEC. 20. That officers shall take ranks according to the date of their Commission, and the Adjutant General shall furnish to each officer a list of all officers according to rank.

SEC. 21. The sum necessary to carry out the provisions of this act is hereby required appropriated and ordered to be paid from any money not otherwise appropriated.

SEC. 22. The detailed Militia organized under the provisions of this act shall not be used on any occasion, nor under any pretext, for any other purpose than to execute the laws and to suppress resistance to the same, and it may be called upon by any peace officer for that purpose. And in case it be called into service to preserve the peace in any election the force shall be used to secure a fair and untrammelled vote of all electors, without regard to their political opinions, and no member of the force shall, while on active duty, be allowed to endeavor to influence the vote of any citizen; and any one offending against the provisions of this act shall be deemed guilty of a misdemeanor, and on indictment and conviction before any Superior Court of the State, shall be fined or imprisoned at the discretion of the Court, and shall forfeit any office or position that he may then hold under the laws of the State. Every Justice of the Peace or other officers shall cause all offenders against this act, to be immediately arrested and held to bail to appear before the next succeeding Superior Court of the County to answer such charge.

SEC. 23. All laws and clauses of laws coming in conflict with the provisions of this act are hereby repealed.

A CARD.

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and continued the business, changing the name afterwards to Branson & Jones, myself as Proprietor and Mr. Branson as Agent of the N. C. Business Directory.—But as some persons seem, erroneously, to consider it a partnership or to mean the interest of the former firm with my own I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.

57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount* without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and *paid in cash*, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death—unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur UPON OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance, and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

General Agent for the State,

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subject ed and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

"We have received letters from several sources, requesting us to send printed copies of a Constitution and By Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as distributing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in schedule B, except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may stamp it before it is used; and if used after the 20th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or interest conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps cancelling the duty required and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
